Amanda McDonough	Vice President
Mary Hanser	Treasurer
James Sommers	Secretary
Colleen Schultz	Trustee
Heather Shafer	Trustee
Michael Whitney	Trustee

January 31, 2024

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for the Oxford Community School district and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Dr. Vickie Markavitch, Interim Superintendent, if you need assistance.

The District AER is available for you to review electronically by visiting this [link](#), or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

Student Assessment Data

- Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT
- Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students.

School Accountability Data

- Includes information on schools' performance on various measures such as student proficiency and growth on state assessments, graduation, and attendance rates. Performance is measured on 0-100 index scales.
- Reports schools identified under three federally required categories for further support: Comprehensive Support and Improvement, Targeted Support and Improvement, and Additional Targeted Support

Educator Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders.
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified.

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8.

Civil Rights Data

- Provides information on school quality, climate, and safety

Review the table below listing our schools. For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the "Every Student Succeeds Act" (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22.

Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Clear Lake Elementary	No label given	International Baccalaureate
Daniel Axford/Oxford Elementary	No label given	International Baccalaureate
Lakeville Elementary	No label given	International Baccalaureate
Leonard Elementary	No label given	International Baccalaureate
Oxford Middle School	No label given	International Baccalaureate
Oxford High School	No label given	International Baccalaureate
Oxford Bridges High School	No label given	Alternative High School
Oxford Crossroads Day School	No label given	Alternative High School
Oxford Virtual Academy	ATS School	Personalized Learning

In our first full school year since the pandemic, we continued to lean into our multi-tiered system of support. Oxford's mission is to provide an education that challenges all students to achieve their maximum potential in academics, arts and athletics and prepares them to succeed in a global society. In doing so, we offer numerous opportunities and pathways. For example, language immersion, blended learning, online learning, IB Diploma, CTE, music, arts, and athletics. We believe in continuous improvement and are consistently engaging in program evaluation and reflecting on programming demand in order to meet the needs of all our students. We believe parental and caregiver involvement is crucial to student success, and request parents to be actively engaged in their student's school PTOs, booster organizations, and to communicate regularly with teachers, principals, and district administration.

We welcome you to our schools and district - where you will find over 800 conscientious and dedicated employees, including bus drivers, food service personnel, support staff, teachers, administrators, and Board of Education members - all committed to creating a world-class educational experience for every student.

Sincerely,

Dr. Vickie Markavitch
Interim Superintendent
Oxford Community Schools
